LET'S *WRITE!*

DREAMS AND NIGHTMARES

Activity:
Describe the best dream or the scariest nightmare you have ever had. If you like, you can describe both! You can also make one up if you find that to be easier.

Example:
I was trapped inside a small dark box, screaming for help. Nobody was around. Suddenly, I realized that there was a venomous snake trapped in the dark box with me too. Right before I started to panic, I woke up in a cold sweat.
